## Digipodium, Lucknow— Full Stack Developer Trainee.

Aug2022 - Nov2022

During my MERN stack internship at Digipodium, I developed and maintained backend functionalities with Node.js and Express.js, designed responsive user interfaces using React, and improved overall system efficiency by 15%. My collaborative efforts and problem-solving skills were recognized, contributing to my growth in full-stack development.

## Charbagh Railway Corp., Lucknow— Software dev. Trainee.

Dec2022 - May2023

As a Software Development Trainee, I immersed myself in coding languages such as ReactJS and Node.js, contributed to projects utilizing Git for version control, and gained proficiency in Agile methodologies, enhancing my technical acumen and collaborative problem-solving skills in software development.
